

ST PAUL'S COLLEGE

WITHIN THE UNIVERSITY OF SYDNEY

College Registrar

St Paul's College seeks a motivated, experienced and energetic Registrar to join our expanding academic community within the University of Sydney. Reporting to the Senior Tutor, the Registrar is a senior administrative position with responsibility for the admission of students, administering the College's scholarship and bursary programs, and maintaining student records. The Registrar is the first point of contact for most applicants to the College.

An attractive remuneration package will be offered and negotiated with the successful candidate based on skill and prior experience. More information, including a full job description, is available at

www.stpauls.edu.au/careers. **Applications close 30 September.**

St Paul's College is the original residential college of Australia's oldest university. It aspires to be a modern, internationally-minded, outward-looking. Anglican college for students and academics of the University of Sydney.
