2021 Annual Appeal

The St Paul's College Foundation was established in 1977 as a united community endeavour to support the College and secure its future. At that time, 30 percent of living Paulines answered the call to raise a total of \$78,000. Every dollar is still working today.

As a result, and with the ongoing generosity of the Pauline community, the Foundation has been able to do so much over more than 40 years since to support our students and maintain the heritage fabric of our beautiful buildings.

Today, the Foundation provides in excess of \$700,000 to support more than 70 high calibre students with scholarships, ranging from 25 percent to 100 percent of their fees. In most cases this makes the difference in enabling them to attend College and benefit from its life-changing education.

Yet, so many others miss out. With the recent expansion of the College, the number of students benefiting from a St Paul's College education has more than doubled. This has placed even more demands on the much-needed support from the Foundation.

In addition, the Foundation was called upon to provide additional support in 2020 to assist the College meet the financial impact of COVID-19.

Less than 3 percent of Paulines have contributed to the Foundation in recent years. This is a far cry from the 30 percent in 1977 and way below what will be needed for the College to continue providing the finest collegiate educational opportunities to future generations.

So please consider making a gift this year. Why not become a Life Member of the Foundation with a gift of \$2,500 before the threshold is lifted to \$5,000 shortly?

We will be holding the Foundation AGM on Thursday 12 August this year so that it can also be a night to meet our Foundation Scholars at College.

As always, your gift will work forever in making available the priceless opportunity of an education to last a lifetime.

Geoff Lovell
Chairman
