FEES and CHARGES UNDERGRADUATE COMMUNITY 2024

Notes:

This schedule is to be read in conjunction with the *Agreement: Fees and Other Charges*, signed upon commencement and as updated from time to time.

Fees and charges are inclusive of GST where applicable.

2024 residency fees are for 40 weeks from Sunday 18 February (12 noon) to Sunday 24 November 2024 (10am), unless prior arrangement for a one semester contract has been arranged.

Students may apply to remain beyond their contract dates using the appropriate online form. This will be subject to availability and may require the student to move to a different room. Applications are also subject to the approval of the Dean.

Residency Fees plus other relevant fees and charges are payable semi-annually in full, 10 days prior to commencement of the relevant semester. Arrangements to pay by monthly instalments (using direct debit only) must be made with the College's Finance team 10 days prior to commencement of the relevant semester. All vacation charges are to be paid upfront before commencement of vacation stay.

Overdue accounts will incur administration charges of \$20 per month (including GST) for each \$1,000 or part thereof.

Residency fees are payable to St Paul's College and are subject to change prior to commencement of residency at the discretion of the College. The College reserves the right to impose a credit card surcharge on credit card payments (1% for VISA/MASTERCARD, 1.5% on AMEX).
