THE CHOIR OF ST PAUL'S COLLEGE THE UNIVERSITY OF SYDNEY

As the Psalmist reminds us, 'I will praise the name of God with a song, and will magnify him with thanksgiving' (Psalm 69:30).

It is precisely for this that St Paul's College (like many other colleges in Australia, the UK, and elsewhere, as well as cathedrals and other churches) has a fine choral tradition offering the highest standard of church music.

The Choir of St Paul's College is the flagship of the musical life at the College. An auditioned choir of students and Lay Clerks, the choir includes some of Australia's most talented young musicians, many of whom study at the Sydney Conservatorium of Music. As well as weekly Choral Evensong, the Choir also sings at semester concerts and additional special services.

All College students and their families as well as staff and members of the public are warmly welcome to attend Choral Evensong each Tuesday at 5.15pm in the College Chapel during semester.
