ST PAUL'S COLLEGE ACCOMMODATION 2026

BOOK YOUR NEXT STAY AT ST PAUL'S COLLEGE

During the summer, St Paul's College opens its doors to conference and group guests looking to stay close to the University of Sydney or Sydney CBD. Choose between accommodation in our historic and gothic-style old College, or new McMillan and Ivan Head buildings.

LOCATED AT THE HEART OF THE UNIVERSITY AND THE CITY OF SYDNEY

St Paul's College sits at the heart of the University of Sydney. The neighbouring suburb of Newtown, with its bustling café, bar and restaurant scene, is a short walk from the College, as is Broadway shopping centre. Redfern railway station is just a few blocks away.

Buses on City Road travel directly to Central railway station and the CBD with bus, rail and ferry connections to the airport, beaches and other Sydney attractions.
