Notes:

This schedule is to be read in conjunction with the *Agreement: Fees and Other Charges*, signed upon commencement and as updated from time to time.

Fees and charges are inclusive of GST where applicable.

2027 residency fees are for 40 weeks from Sunday 21 February (12 noon) to Saturday 27 November 2027 (10am), unless prior arrangement for a one semester contract has been arranged.

Students may apply to remain beyond their contract dates using the appropriate online form. This will be subject to availability and may require the student to move to a different room. Applications are also subject to approval. All vacation charges (minimum 7 day stay) are to be paid upfront before commencement of vacation stay.

Residency Fees plus other relevant fees and charges are billed annually for the full 40 week academic year and payable semi-annually in full, 10 days prior to commencement of the relevant semester. Arrangements to pay by monthly instalments (using direct debit only, fees apply) must be finalised with the College's Finance team 10 days prior to commencement of Semester 1. Unless an alternative arrangement is approved by the College in writing at the time of acceptance for 2027, fees for the full year commitment will continue to apply, even if plans later change and you leave College early.

Overdue accounts will incur administration charges of $20 per month (including GST) for each $1,000 or part thereof.

Residency fees are payable to St Paul's College and are subject to change prior to commencement of residency at the discretion of the College.
